

I SPY

Object I'm investigating: _____

Loupe-look Analogies:

Part 1:

Loupe-observe your object: top, bottom and sides.

As you look at it, write down 10 things it reminds you of—or more!

Write your answers down in words, phrases or sentences.

Part 2:

What else does it remind me of? What else does it look like? Feel like? Move like? Smell or taste like?

What else? What else? What else?

Part 3:

Why did it remind me of that?

“It reminds me of _____ because...”
